

BIRCHWOOD NEWS

GOOD LUCK TO YEAR 11 & YEAR 13

Our Year 11s had a fabulous morning enjoying their last assembly, complete with doughnuts, a photobooth and lots of laughter. We wish them the best of luck in their upcoming exams.

MESSAGE FROM MR GRIFFIN

Dear All,

As you will have seen from the front page of this edition of Birchwood News our time has been dominated by the exam season for students in Years 11 and 13. Our efforts have been to ensure that all students have access to the support that they need in the run up to GCSEs, BTECs and A Levels. Students are attending sessions before school in order to build confidence right before an exam. Some students will be in over half term working with staff. So far the season has started well and papers seem to be fair. I must commend the students on the way they are conducting themselves in exams; it is exemplary and some of the best conduct I have ever seen. For many families this will be a stressful time so please remember that we are here to help you and to get in touch if there are things you need support with. The Celebration Day with Year 11 before the exams started was great and again students were an absolute credit in the way they approached this. I look forward to a similar event with Year 13 which will come after their exams finish. I look forward to celebrating the outcomes with students in August.

As you would expect the following pages share many of the events and achievements of students here at Birchwood. There is so much to commend here but I will make a special note of the Year 8 Herts Maths Challenge Team who have progressed to the final for the first time. The wide range of visits and charity work remains a real strength of the school and is something that many schools are not able to offer. Congratulations to everyone who has been involved in the events celebrated here.

Half term sees us saying farewell to Mr William-Powlett who has taught Physics here for many years. Those of you who have worked with him (mainly in the Sixth Form) will know what an exceptional teacher he is. Indeed he has been nationally recognised as Physics Teacher of the Year. We thank him for all he has done to inspire the next generation of Physicists and wish him every happiness in his future.

You will also be able to read about his cycling exploits in the article “Riding for Maggie’s” where Mr Gilbank talks about his own experiences and the charity work that the pair of them have undertaken.

This part of the year is also when we do a lot of our recruitment for next year. I will talk about staff changes in a future message but I feel that the school has made some very strong appointments and I look forward to introducing new colleagues to you later in the year.

Half term will be dominated by revision for many of you and we wish you every success with this. For the rest of you I hope that the weather picks up and that you are able to find time to relax and recharge.

Sam Griffin, *Principal*

FIVE STAR RATING

The school had a surprise visit from an Environmental Health Officer to inspect health and safety, and food hygiene standards. We passed with flying colours and are once again 5* rated. Well done to Mr Kadlec and his team!

After half term the cafe will be serving BBQ's every Friday (weather permitting).

BIRCHWOOD SUPPORTS FOOD PROJECT IN KENYA

The Birchwood community have continued to support Mahinga Primary School in rural Kenya. The school was in need of a space to prepare food on site, in order to make sure that the students have at least one meal during the long school day.

During the last two years, Birchwood High School students have supported the pupils in Kenya in two ways:

1. Raised money through cake sales.

2. Collecting pre-loved trainers and shipped them to Kenya.

Through the money raised, a kitchen has been constructed to enable simple meals to be provided for the children who can't afford to bring lunch to school. Recently, £121 was raised by the BBC Reporters Club through a bake sale.

Thanks to everyone who contributed cakes, especially Mr Loney and Miss Payne, and to Mrs Barnard and the team of Reporters for organising a hugely successful fund-raising event.

At the time of writing, the trainers were still in the high seas in a container somewhere. I'll update you as soon as they arrive in Kenya.

Mrs de Graaf

YEAR 11 PARENT PAY:

If you have any outstanding payments on ParentPay, please ensure these are paid in full before your child leaves the school.

Alternatively, if you have a credit remaining, please withdraw this from your Parent Pay account. This should be completed by 1 September, otherwise the school will donate any funds remaining to the PSFA for school initiatives.

BOOK AND EQUIPMENT RETURNS:

Could we please ask that all printed textbooks and Library books are returned to the school after exams are completed. Books/ Equipment (Goggles for example) can be left with Reception or placed in the Library Book return box.

THE RED BOX

Any student who requires period products at short notice, can go to Reception and ask for the Red Box.

Mrs Cook, Receptionist

TERM DATES

SUMMER TERM 2024

Monday 15 April – Friday 19 July

Half Term:

W/B Monday 27 May –

Friday 31 May

CPD Days

Monday 22 July

Tuesday 23 July (Occasional Day)

AUTUMN TERM 2024

Monday 2 September 2024 –

Friday 20 December 2024

Half Term

W/B Monday 28 October -

Friday 1 November

SPRING TERM 2025

Tuesday 7 January - Friday 4 April

Half Term

Monday 17 - Friday 21 February

Easter

Monday 7 April - Monday 21 April

Summer Term 2025

Tuesday 22 April - Tuesday 22 July

Half Term

Monday 26 May - Friday 30 May

Please Note

Monday 2 September:

CPD Day - no students

Tuesday 3 September:

Years 7 & 12 only

Wednesday 4 September:

Whole School to attend

CPD (Non Student Day)

Friday 4 October

Monday 6 January

Friday 14 February

Monday 21 July

Occasional Day

Tuesday 22 July

Please note that the school is closed to students on all CPD days, unless a member of staff has asked students to attend.

The Technology faculty would like to thank Shawn Bentley, Director of The Signage Company for their new heat press the students are enjoying using it!

BRONZE

Duke of Edinburgh's Expedition

Last weekend, Year 10 students completing their Duke of Edinburgh Award took part in practice and assessment expeditions through Hatfield Forest and ending in Rickling Green.

It was a full-on (but sunny) weekend, where students had to walk with all the equipment needed for two full days. The students were placed in situations that allowed them to develop team participation, route planning, map navigation and cooking and camping skills. The weekend helped build resilience and leadership skills and gave them new experiences and challenges to overcome. The students now have to do a presentation of their 'Team Aim' which we very much look forward to seeing.

A special "thank you" to Thremhall Park Café who let us start from there once again and to all our wonderful staff who gave up their weekends to make this expedition possible.

Mr Loveday and Miss LaLonge

RIDING FOR MAGGIE'S

It may come as a surprise to many but on Saturday 16 May 2020 I fell off my bike. I was returning from a 100 mile round trip, and in the last mile I headed up a hill and crashed, breaking three ribs, collarbone and puncturing my lung. Unlucky? Surprisingly, no! After scans in hospital they ascertained the extent of my injuries but also highlighted an issue with my kidney. Five days later I was told that I had kidney cancer and they wanted to remove it. I locked the information away and focused on getting fit. On

Monday 1 June 2020 I remounted my indoor bike and rode 5km. It was a start.

On the 6 August 2020 the brilliant people at Addenbrookes took me through keyhole surgery and removed the cancerous kidney. I locked the experience away and began my recovery once more. Remounting my indoor bike on the 16 August 2020. Feeling strangely blessed to have fallen off my bike.

On the 19 June 2021, I did a 200 mile cycle ride with Mr William-Powlett, proving to myself my physical strength. I was physically improved but mentally I was struggling, I had reached the point where I knew I needed support. I had a very small group of people who knew what had happened and they were beyond amazing and supportive, but I needed something more. The hospital pointed me in the direction of Maggie's at Cambridge. So, over the past 4 years, on and off, they have offered me support without question. Through telephone and face-to-face support, their team have been kind, honest and supportive to the end and have helped me get through this difficult time.

I decided I wanted to give back. The bike had given me luck, strength and purpose throughout, so I thought what can I do to help Maggie's that involves the bike? I felt like 100 miles and hills resonated, so along with Mr William-Powlett, we went, in April, to ride the 100 miles from Paris, across the cobbled roads of Northern France, to the Velodrome of Roubaix. Then in May we went to the Lake District and completed 112 miles at The Fred Whitton Challenge, with over 10,000 ft of climbing!

It has been an 'interesting' time but I have understood throughout that all of us need help and support at times and that it is important to reach out and more often that not support will be there for us. If anyone would like to support Maggie's at Cambridge the sponsorship link will remain open into June:

<https://maggies.enthuse.com/pf/charles-gilbank-f13d4>

Mr Gilbank, Deputy Principal

SHADOW AESTHETICS

Year 13 Single and Double Business classes welcomed Emily Shaw to Birchwood. Emily is a young entrepreneur who owns her own salon and beauty academy called Shadow Aesthetics. She talked to us about her journey through sixth form and deciding to start her own business, the challenges she has faced, and her top tips for being self-employed. It was an interesting talk focused on the world of beauty and being a young entrepreneur, and Emily gave us lots of useful advice for starting up our own businesses one day. Thank you, Emily!

Sydney Godden, Year 13

PEACH

Peach restaurant came to Birchwood to tell us about their experiences opening a restaurant. Leigh, the owner, talked about how the business was able to grow and one of the main reasons was Covid-19. Leigh did an amazing job going into depth explaining her business strategy, and will continue help us with our coursework. Many thanks to PEACH for taking the time to really help us with our mock assignment.

Evan Yeates, Year 9 Business student.

HANBURY MANOR

A group of Year 11 Hospitality and Catering students visited Hanbury Manor to look behind the scenes of a large hospitality business.

The staff at Hanbury Manor were extremely knowledgeable and helpful to our students, showing them how to correctly set up tables for banquet and conference events.

Housekeeping staff also showed how to prepare a room for guests in a five* hotel.

Mr Kadlec and Mrs Crimes

CADBURY WORLD

Cadbury World is not just a tourist attraction; it's a journey into the heart and soul of one of the world's most beloved confectionery brands. Year 10 Business students had the opportunity to experience this first hand.

Our day began with an insightful workshop that delved into the rich history of Cadbury and illuminated the inner workings of the chocolate-making business. From learning about the company's humble beginnings to understanding its global impact, the workshop provided a fascinating glimpse into the world of entrepreneurship and innovation.

Next, we embarked on a captivating ride through the Chocolate Making Process. As we journeyed through the various stages of chocolate production, from cocoa bean to Cadbury Dairy Milk, we gained a new-found appreciation for the craftsmanship and dedication that goes into creating each delectable treat.

But perhaps the highlight of the day was the hands-on experience of playing with chocolate. In the Chocolate Making Zone, we unleashed our creativity as we crafted our own chocolate creations under the guidance of skilled chocolatiers.

Mrs Dervish, Business

CAREER DAY AT SWORDERS FINE ART AUCTIONEERS

Birchwood High School was delighted to receive an invitation from Sworders Fine Art Auctioneers to take part in an initiative they were organising with The Worshipful Company of Art Scholars to introduce young people to the auction business.

The auction business includes the auctioneer and specialists in areas such as Asian Art, Glass, Modern Design, Jewellery, as well as Antiques and Vintage Textiles, as well as large teams working in Photography, PR, Marketing and Administration.

On 25 April, twenty-nine Year 10 students, accompanied by Careers Leader Mrs Crimes and Mrs Jackson, spent a fascinating day learning what goes on behind the scenes at Sworders. In addition to getting involved in workshops, the students heard about the career journeys of three of the Art Scholars including John Benjamin of Antique Roadshow fame. The team at Sworders could not have been more hospitable and we are exceedingly grateful to them for the fantastic day they put on for our students.

We rounded off the day with a mock auction. Each student had an envelope of fake money and bid fiercely against one another with the odd online or phone bid thrown in to spice things up.

When asked 'what the best part of the day was', our students replied:

"Learning about jewellery and seeing how you can find if a piece of jewellery is real or fake".

"I enjoyed talking to experts and listening to their work and their insights. I loved the workshops that I participated in, and loved learning more about them."

"I loved learning about hallmarks as I used my knowledge to date a set of cufflinks and jugs my grandmother gave me."

Mrs Crimes, Careers

Performing Arts

'How can that be? A great sin – a mortal sin – for which I must die and go to hell – but it made me free! One moment I was free!'

From the outside, Helen Jones and her husband had a happy marriage.... until she murdered him. Based on the true crime story of Ruth Snyder that shook a nation in 1928, Sophie Treadwell's *Machinal* is a pulse-pounding journey of someone pushed to breaking point by the relentless machinery of life, expectation and convention.

On Wednesday 17 April, Year 12 and 13 Drama students took a trip to the Old Vic to see one of our A-Level set texts performed. This was a unique experience for students as the play has not been professionally produced for years. As always, we were the most enthused (loudest) commuters on the outward journey and had some excellent post performance discussions on the way home. Students spoke about how inspired they were to create their own production concepts and how much it helped to see the words from the page performed with such energy. An enriching evening, and the last one with our lovely Year 13s. I would like to take this opportunity to thank them for their continued enthusiasm, passion and zest for theatre that has made these last two years so utterly enjoyable for me as a teacher. I will miss them so much.

Mrs C Hassani, Head of Drama

Mr Grogan would like to congratulate all the students that took part in the Music Department's Chamber Concert on the Thursday 2 May in the Drama Studio. Our exceptionally talented students performed brilliantly, and it is always a pleasure to hear our musicians play in front of an audience. We are looking forward to our Summer 'Prom' Concert on Thurs 20 June. Tickets will be available after half term. Special thanks go to Mr Stock for providing piano accompaniment throughout the concert.

Mr Grogan, Head of Music

PE news....

Well done to all the teams who managed to complete their games - despite the weather - this half term. A special "Well Done" goes to the Year 7 Girls' Football Team who came second in their District competition recently.

Year 7 Football

Year 7 Football Districts

Year 8 Cricket

Year 8 Rounders

The annual Year 11 leavers 'X' versus 'Y' football match. The atmosphere was electric with the whole school watching on. This year, 'Y' side won 2-0.

HERTS RFU VISIT BIRCHWOOD

The Winter term at Birchwood High School saw external rugby coaches coming in to Year 7, 8 and 9 girls PE lessons. The girls were taught rugby at a more detailed level. They learnt key skills and had a great time playing games and experiencing coaches from Herts RFU. The term ended with a few of the local Bishop Stortford coaches and ladies players coming in to help build a link between the school and the local club.

Miss C Lalonge

YEAR 8 HERTS MATHS CHALLENGE

Congratulations to our Year 8 Herts Maths Challenge Team who won their heat and have qualified for next month's final. This is the first time in at least 6 years that either our Year 7 or Year 8 teams have got through to the final, so this is a huge achievement! They scored a fantastic 221 points out of 240.

Well done to James Allen, Daniel Anderson, Jacob Basey and Toby Bromage.

Mr Summers, Maths

ROTARY INTERSCHOOL QUIZ

Four students from Birchwood took part in the annual Rotary Club Inter-school Quiz. Our team of Daniel Baines and Harrison Pickard (Year 12) and Will Chandler and David Wallis (Year 10) did us proud, losing in a very close match to Herts & Essex. The overall competition was won by Bishops' Stortford College.

Mr Summers, Maths

Student News...

Over February half term, Edie, Sam and Harry Pittuck all flew to Las Vegas to compete in a Karate championship.

Edie won her age competition, which resulted in qualification for the European Championships!

She was fighting Sanbon which is first to 6 points.

Sam Pittuck also won a bronze and Harry Pittuck a silver in team rotation, so a successful competition all around.

ALUMNI NEWS

Everyone at Birchwood was saddened to hear of the death of former student, Sam Browne, earlier this year.

Sam was diagnosed with an inoperable grade 2 astrocytoma after suffering a seizure in March 2019. He underwent a biopsy followed by radiotherapy and chemotherapy but, in July 2023, he learned his tumour had developed to a grade 4. He died less than two months later, aged 28.

Sam's friend, Harry Carling is running the Cork City Marathon on Sunday 2 June in honour and memory of Sam. He is raising awareness and funds for Brain Tumour Research. Please see the link here to his JustGiving page: <https://www.justgiving.com/page/harry-carling-1712919720621>

Why not follow us on Facebook?

We have a Facebook page where you can keep up to date with events and meetings.

Please follow us at

Birchwood Parents Staff and Friends Association (PSFA)

Don't forget you can help us raise funds via TheGivingMachine

If you are a regular online shopper you can generate free donations to our school at no extra cost to you every time you shop via TheGivingMachine.

Please have a look online www.thegivingmachine.co.uk and search for Birchwood High School.

VOLUNTEERS

We would love to have some extra helpers if anyone would like to volunteer. This would involve two or three events each year and meetings once or twice per term. It is not a big commitment, we promise! Plus, we can confirm there will be cake...

We also have a vacancy for a Chairperson, if you'd like more information on this role please email us at: birchwoodpsfa@gmail.com

BIRCHWOOD BONUS BALL

Congratulations to Cheryl Barber who was the winner of the March draw! Ball 73 was drawn by Mr Gilbank and Cheryl won a massive £184.50!

Congratulations to Sarah Sibley who was the winner of the April draw! Ball 43 was drawn by Mr Ruggins.

The Bonus Ball is a great way to support the school, and at the same time be in with a chance of winning some cash every month! It is £3 per month per ball, payable either in one lump sum or monthly as a standing order. A draw takes place at the end of each month and the winner receives half of the money collected, the other half going towards PSFA funds, for our children.

Our bank details are:

Barclays Bank

Account Name: Birchwood PSFA

Account Number: 23298728

Sort Code: 20-25-19

Email treasurerbwpsfa@gmail.com to let us know you've paid and how many balls you would like.

SAVE THE DATES

Family Race Night – Friday 12 July 2024, 7pm for a 7.30pm, start in the Main Hall. Tickets will be £8. More information to follow shortly.

Musical Bingo with Snow White Trash – Friday 18 October 2024, 7pm for a 7.30pm start in the Main Hall.

More details on events will be posted on our Facebook page nearer the time.

OTHER WAYS TO SUPPORT THE PSFA

You can generate free donations to our school at no extra cost to you every time you online shop.

1. TheGivingMachine.

Please have a look online www.thegivingmachine.co.uk and search for Birchwood High School.

2. We have registered with Stikins Name Labels. The school can earn up to 30% commission on all sales. Please visit www.stikins.co.uk and quote our fundraising number 1955.

3. Birchwood High School are now registered with easyfundraising, which means you can raise FREE donations for us. Over 7,000 brands will donate to us when you use easyfundraising to shop with them – at no extra cost to yourself! You can find our easyfundraising page at https://www.easyfundraising.org.uk/causes/birchwoodhigh/?utm_medium=email&utm_campaign=pmc&utm_content=gs-email

These donations really mount up and make a BIG difference to us, so we'd really appreciate it if you could take a moment to sign up and support us.

SHERINGHAM

Two groups of Year 10 Geography students went on a field trip to Happisburgh, Cromer, and Sheringham. There were two trips, one on the Tuesday and Wednesday, and one on the Thursday and Friday. The aim was to answer two questions: 'Which geomorphic processes are operating along the north Norfolk coastline?' and 'How important is Sheringham as an economic hub to the North Norfolk Coastline?' Students collected a range of data from measuring pebbles to questionnaires. Many also enjoyed what else the coastline had to offer such as fish and chips and ice cream! Although one trip struggled to record data due to the weather, a good time was had by all.

SIXTH FORM LEADERSHIP TEAM 2024/2025

I am very pleased to announce the new Sixth Form Student Leadership Team. It was so lovely to listen to all the applicants who are so passionate about Birchwood. What really stood out, across the two days of presentations and interviews, was a strong sense of wanting to give back to the community that has supported them during their journey at school.

I have absolutely no hesitation that this group of students will do an amazing job and if you get the chance to see them, please join in and congratulate them for all their efforts.

It goes without question that we should also thank the outgoing team, who have simply been brilliant... Madeleine, Amelia, Emia, Eve, Jack, Jess, and William, will be a real tough act to follow!

Mr Torrance, Head of Sixth Form

Sixth Form News

GOODBYE

On the 26 April the Year 13 Performing Arts Dancers showcased their final performance to a live audience of family and friends. Their piece provoked thought on what it would be like to lose your senses, and what happens to the body when it cannot communicate through words. The students have been working on this 20-minute piece for 3 months and the final performance was a real showstopper that left every audience member moved! The piece was not only dance but a whole production of music, lights, props and left the hall filled with colourful clouds of dust!

A fantastic performance enjoyed by all! Well done Year 13 you will be missed!

Miss Adams, *Head of Dance*

SIXTH FORM WORK EXPERIENCE

Alongside learning and preparing for your A Levels at Birchwood Sixth Form, students take part in a wide variety of extracurricular activities. One of these activities is Work Experience Week. This is when students take time off from their regular lessons to complete a week of work experience with an employer or company of their choice.

Placements this year range from opportunities at newspapers such as the Bishop's Stortford Independent to working in Parliament for the week. This initiative gives students an excellent opportunity to gain insight into a career path of their choice, and establish a network of people in that industry.

PASTA SKELETON WINNER

The winner of Mr Loveday's 'Pasta Skeleton' Home learning.
Congratulations to Maisie Bugg in Year 7.
Mr Loveday.

Thank you to Emia Smith in Year 13, who has designed the new Fusion logo. Birchwood will be celebrating Pride Month throughout June. More details on the activities planned will follow after half term.

BIRCHWOOD BROADCASTING CORRESPONDENTS

WHAT IS PRIDE MONTH?

Pride Month is an annual celebration of the many contributions made by the LGBTQ+ community to history, society and cultures worldwide. In most places, Pride is celebrated throughout June each year in commemoration of its roots in the Stonewall Riots of June 1969.

What will these rainbow wings represent?

In Fusion we have been making “Pride Wings”. The rainbow wings will be representing the LGBT+ and Fusion community at our school, Fusion members have been decorating the wings with LGBT+ profiles and different flags, sexualities and gender identities. Fusion have been planning these wings for almost two years and we are looking forward to the wings being displayed at the front of the library. This will also allow students to find out more about LGBT+ figures from the past and their stories.

BBC Student Reporters

HOW TO MAKE RECYCLED PAPER

This term in Technology we studied how to recycle plastic and paper. To recycle paper, first we shredded used paper. Then, mixed it with water and added some chlorine to ensure that no bacteria would grow. After this, we used a mould and deckle to form the correct shape and remove some of the water. Next, we put the wet paper onto a cloth. After everyone had finished, we put the stack of recycled paper and a cloth into a press to remove the last of the water. Once we got as much water as possible out, we hung the sheets of paper, which were still stuck to the cloth, onto a line to let them dry out.
