*your dreams, your future, our challenge*

13th February 2024

Dear Parent/Carer,

## **Year 9 Visit to the Science Museum in London**

I am organising a trip to the Science Museum, London. As a way to celebrate British Science week we are hoping to take Year 9 to the Museum to visit a variety of exhibitions, which will tie into their studies and offer hands on experience. Students will have an educational and fun day out. They will be accompanied throughout the day by 14 members of staff and will be expected to go around the Museum in small groups so that exhibitions do not become over crowded.

These trips will take place on:

**Thursday 14th March 2024 for: 9Y, 9X2 and 9X1 surnames A-H**

**Friday 15th March 2024. For: 9Z, 9X3 and 9X1 surnames I -Z**

Students will travel by coach to London leaving school at **9am** and returning for **4.15pm**, approximately subject to traffic. They will be allowed to contact parents on the journey home when we know what traffic conditions are like so that you are able to collect them from school. Students may attend in casual clothing and should bring a packed lunch for the day.

The cost of this trip will be covered by the school, however in order for your child to attend you must give consent by filling out the below form by Monday 11<sup>th</sup> March 2024.

Consent form link – Thursday 14<sup>th</sup> March
