

# Birchwood High School

*your dreams, your future, our challenge*

---

## UK Maths Trust's Challenges Participation

Dear Parents/Carers,

Each year, Birchwood High School students take part in the UK Maths Trust's Challenges. These are multiple-choice quizzes that test students' problem-solving skills and help them to develop mathematical fluency.

The Junior Challenge for Years 7 and 8 takes place on Thursday, 25 April. The challenge lasts an hour and will take place during a lesson (time to be confirmed). This year, we are offering the Challenge to all Set 1 and 2 students who wish to take part.

If your child would like to take part, please fill in this short form by Friday 16 February - <https://forms.office.com/e/VPRaJnjEtb>

Please be aware that as the question papers are paid for in advance, and pre-populated with students' names, we will be unable to accept any entries after this deadline. Before signing them up, please check that your child wants to take part; once their question paper has been ordered, they will need to complete the Challenge.

You can see some of the previous question papers here for practice - <https://ukmt.org.uk/current-past-papers/jsf/jet-engine:free-past-papers/tax/challenge-type:67/>

Best wishes,  
Daniel Summers
